Sir:

RESPONSE TO RESTRICTION REQUIREMENT

In a restriction requirement dated July 23, 2008, the Examiner required restriction under 35 U.S.C. § 121 between Group I, claims 1-12, 15 and 16 and Group II, claims 13 and 14. Applicant provisionally elects to prosecute Group I, claims 1-12, 15 and 16 drawn to an elastomer having specific side chains without traverse.

With respect to the requirement for our election of species, Applicant elects a structure of formula (9) of claim 5, wherein A² is C₈H₁₇ and D² is C₂H₄ and for the nitrogen heterocycle a triazole ring of claim 10.

The claims readable on the elected species are claims 4-10, 15 and 16.

A Preliminary Amendment is being filed to avoid improper multiple dependency in the claims and cancel non-elected claims.

Please grant any extensions of time required to enter this response and charge any additional required fees to our deposit account 06-0916.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,
GARRETT & DUNNER, L.L.P.
